Be Mothers to the children

Saint Claudine Thevenet

Foundress of the congregation of the Religious of Jesus and Mary
A saint with undaunted courage and an epitome of forgiveness

Claudine,
You are the fundamental,
First thread woven into the fabric of Jesus and Mary
design which now spans all continents,
The one who risked the weaving,
Chose the colours,
Set up the loom,
Suffered the uneven shuttling
When the design
Showed little clarity.
Only faith
in the Good God
and the possibilities open to you
gave you the courage to continue
Today, we are
gently bound by those silken,
multi-coloured threads -
threads of future, hope and potential.

PRINCIPAL'S MESSAGE

How Good God is !

St. Claudine Thevenet, the Foundress of the Congregation of Jesus and Mary, experienced the goodness of God and bestowed her trust in Him completely. The strength drawn from that trust found its highest expression in her dying words: How Good God is !

The sole fabric woven by Claudine continues today in diverse and varied ways and inspires humanity to follow the footsteps of this noble soul.

To earmark the occasion of the Bicentenary year, varied Inter-School competitions were organized. The celebration culminated with the inauguration of the New Administrative Block and the Auditorium. This new block is an endevaour to uplift the school with modern amenities and to provide our girls a platform to hone their individual talents through various activities conducted from time to time.

It is rightly stated that success comes to those who believe in perseverance and it stays with those who do not rest on the laurels of the past. I take pride in sharing with you that the school has scaled new heights on Academic front by giving Ambala community All India Topper in AISSE and excellent result in all the streams in AISSCE. The journey to success did not end here, as our students gave laudable performance at different fronts - be it District, State or National level sports events or any co-curricular events.

Today, we stand at the threshold of another moment, another page in our JM history, post 200. The torch of the charisma is in our hands and it belongs to you and me. It's our dual responsibility to pass it on to future generations and to make this world a better place. I firmly believe that I can count on you to keep this sacred torch burning as the journey to such a scale would not have been that easy if our dear parents would not have supported us through thick and thin.

I express my heartfelt gratitude to all the sponsors and parent body for coming together in this noble cause of educating our girls.

Convent of Jesus and Mary
welcome you to the world of Innovation
where true education illuminates the light
of understanding and wisdom
where every bud unfolds herself
into a richer colour and refreshed fragrance.

Journeying with Claudine...

The soulful journey to serve humanity embarked upon by our mother foundress St Claudine Thevenet completed its 200 years in the year 2018. On this propitious occasion, our School hosted the Bi-Centenary celebration on 10th February, 2018 to pray for peace, harmony and well-being of the humanity.

The celebration was marked to sanctify the presence of Saint Claudine in our life who planted a small seed of charity and forgiveness in France and today that Mighty tree has spread its branches in 28 countries of the world. Saint Claudine's devotion to the service of Almighty by serving its' people was presented through a power point presentation which reflected that throughout her life, she was attentive to the call of God and had no other desire than that of pleasing Him in all things, of manifesting His Goodness to everyone and thus leading them to the knowledge and ever greater love of Jesus and Mary.

The Church looked resplendent with lovely blue, silver and purple flowers and hangings. Rev. Bishop Ignatius Mascarenhas presided over the ceremony and gave the message for need of generosity, benevolence, compassion among humans which will be the true service to God. The ceremony was followed by a sumptuous lunch that was spread out lovingly for the entire gathering by the Community.

The morning that began in sobriety and divinity ended with smiles and loving solidarity all around.

Bicentenary fete

Carrying on with the spirit of Bicentenary celebrations, the School organized a Fete in the school premises. Organizing an event of such proportion was no mean task. So, the parent community, old alumni, former/retired teachers, local merchants and traders came forward to contribute in every possible way. Be it donations, sponsorships, setting up and decoration of stalls, doing up the entire ground space-making it ready for the event; their contribution was generous and support immense.

It was a matter of pride for the school as Ms. Aashika Jain, an IAS officer and an ex-student of the school inaugurated the Fete. The festive spirit engulfed the school arena as interesting game stalls, sumptuous food stalls and a variety of stalls selling merchandise were put up. The visitors had a gala time moving from stall to stall, feeling the soft fabric of the warm stoles and phulkari dupattas, the soothing prints of the bedsheets and bedcovers, the wide range of artefacts and household products and many other things. To tickle their taste buds, a wide array of foodstuffs was on display. The young and the old just couldn't have their fill as the next stall offered a more mouthwatering delicacy!

From sumptuous chaat and paneer samosas to oven fresh pizzas and hot dosas.... the list goes on. For those who wanted to relish the sunny morning, slurping on the creamy ice cream or taking swigs at the soft drinks was an

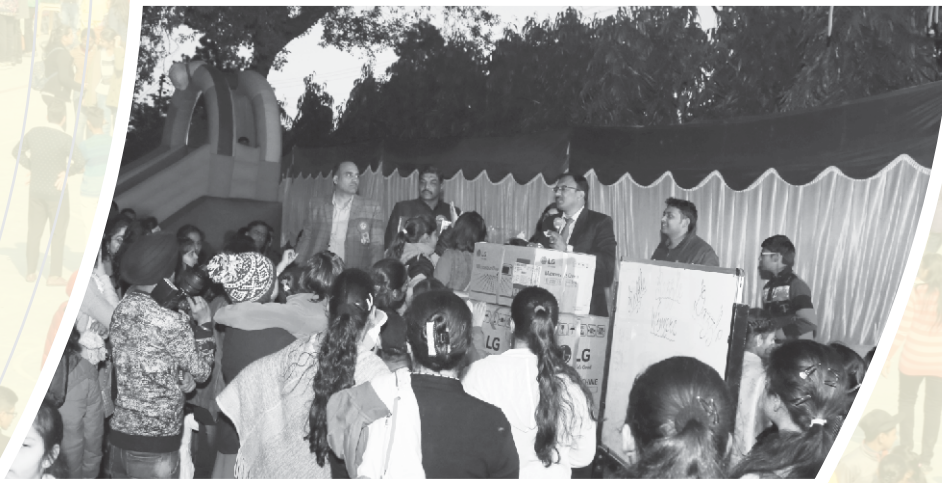

While the food stalls satisfied the hunger pangs of the families, the youngsters jived the morning away at the Jam Session - a separate enclosure for couples with the choicest music playing.

The DJ played the latest songs for the milling crowd. The game stalls didn't lag behind as they became the hub of excited and nervous activity, with children coming back over and over again to try their luck at the Treasure Hunt, The Burglar's Alarm and many more. For others, Tambola was the centre of attraction as it was perched right in the centre of the arena - continuous rounds being played- people vied with each other to buy tickets and secure a place.

The icing on the cake was the Raffle Draw, which gave away fabulous prizes including washing machine, refrigerator and microwave etc. to the winners. Needless to say the fete was the talk of the town for days to come.

Auditorium and Administrative Block

Light is a symbol of brightness and hope. As sunlight expels the darkness of night, in the same way blessings bring happiness and celebration in our life.

Inaugural Ceremony

We, at Convent of Jesus and Mary felt blessed on 21st December, 2018 when the school geared up to witness the inauguration of our new auditorium which brought together experts from all disciplines including Structural Engineers, Architects, Interior Designers, Acousticians and Lighting co-ordinators to create for us a state of the art, fully air conditioned auditorium with increased seating capacity.

The presence of our Chief Guest Rt. Rev. Ignatius Mascarenhas Bishop of Shimla and Chandigarh and our Guest of Honour Provincial Superior Sr. Rosely Joseph made the day more special for us. The ceremony began with a short prayer service and singing of hymns that lent a sublime aura to the entire gathering.

The welcome dance "Pushpanjali" had beautifully adorned Bharatnatyam dancers who gave an offering of love and devotion to the Almighty and welcomed our guests. This was followed by a Powerpoint presentation on the History of the Congregation which encapsulated the mammoth endeavors undertaken by the members of the Congregation. It showed how the Congregation started with the noble cause of educating women from a small room in Lyon, France and with the blessings of God, has spread to 28 countries around the world.

Since Christmas was in the air, the ceremony included a presentation on the birth of Jesus through a play on the Nativity. The play performed by young performers included songs and dances which brought Christmas cheer to everyone. Bishop Ignatius further infused the Spirit of Christmas into our hearts with his inspiring Christmas message.

The festivity ended with a thanks giving note by our Principal Sr. Alice who expressed her gratitude to the Chief Guest and the Guest of Honour for gracing the occasion. She also extended her thanks to Mr. Rajesh Jain, the Chief Architect and his team for their creative designing and farsightedness which shaped one of the best school auditoriums in the country.

Blessings by Father

James 1:12 Blessed is the man who remains steadfast under trial, for when he has stood the test he will receive the crown of life, which God has promised to those who love him.

Session 2019-20 began with the renewal of our earthly minds and our spirit to listen to God so that we could discern His will. The School was blessed on 4th April to have the divine blessing of the Lord as Father Chenappa Reddy of Holy Redeemer Church visited the school in the morning assembly hour.

The auspicious occasion aimed at invoking the Holy Spirit's blessings for the School, Staff members and the students. This year's mass commenced with School prayer seeking lord's blessings which was followed by a short prayer service in praise of the lord.

Father Reddy read out a parable from Bible and preached the students to reunite with Jesus who is the divine beauty of the universe. His words heartened the spirits of all.

The ceremony concluded with the sprinkling of Holy water on the students, staff members and the School for healthy and prolific lives ahead.

Independence Day

Our country's prime concern has been perfect inclusivity of social, economic and political sphere since Independence.
A testimony to this was showcased during the celebration of the 73rd Independence Day on the theme *"Unity in Diversity"*.

On 15th August our school witnessed the presence of Col. Gaurav Kapoor – a highly energetic and erudite officer from Armed forces who graciously adorned the occasion with his presence as the Chief Guest. He witnessed the perfectly coordinated March Past by the students from classes VI to XII led by the Senior School Council. The patriotic songs sung by the school choir after the flag hoisting acted as a smooth transition between the hardcore field work and the aesthetically presented cultural program.

From the school ground, we headed towards the auditorium where a delightful dance drama awaited us. Emphasizing the glory of golden ages, the play "Sone Ki Chidiya" portrayed India's vast diversity and its philosophy of peaceful co-existence. The senior students dressed in traditional attires left the audience awestruck with their graceful dance moves and their 'Never-say Die spirit'. A mesmerizing Power Point Presentation reminding the numerous milestones by India, was a befitting end to the beautiful programme.

Dina's Day

Students of Centenary Block enthusiastically portrayed the life, virtues and ideals of Dina Belanger in the form of Dance Drama on 30th August 2019. The little ones exquisitely displayed Dina's childhood , her education and the time she was baptized. Every dance form staged on this occasion showcased Blessed Dina's virtues of selflessness, forgiveness and her devotion to God.

The celebration became more special with the presence of Group Captain S. Tamaskar, who was awarded with VayuSena medal on Independence Day for spearheading the Balakot air strikes. In his address to the gathering, he expressed his gratitude to the Principal, staff members and children for the marvelous show put up by the students which brought Dina's character to life. He further advised the children – the future of the Nation to follow the footsteps of Dina and be honest to the service of humanity.

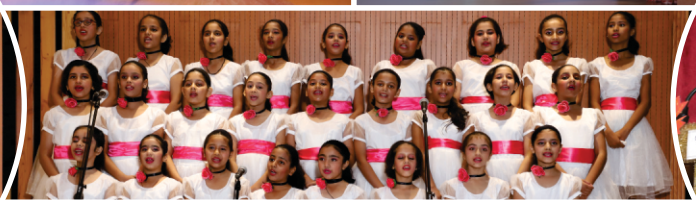

Courage to Love

Teachers' Day

Every year Teachers' Day is celebrated with zest and zeal all over the country. So, this year too, was no different as the students geared up to welcome their mentors on the morning of 5th September. Besides different performances, a Tea Party was organized by the students to acknowledge the love, diligence and hard work of their teachers.

On the day of the show, there was an unusual excitement in the school atmosphere which was quite contagious. All the teachers, dressed in beautiful attires entered the school auditorium which was turned into 'The Infinitea Tea House.' The program commenced with the Head Girl's welcome speech followed by a classical prayer dance to seek God's blessings. Varied dance performances based on Bollywood, K Pop and Hollywood music by the junior and senior school students stole the show. The hilarious skit and a live singing session performed by the senior school students added charm to the occasion. The tiny tots from LKG to class 5th danced their hearts out for their teachers in their inimitable way. As the show unfolded, the teachers enjoyed delicious tea with cookies. The show ended with an exceptional dance performance by the organizers of the show, class 12th students, dressed in gorgeous sarees.

The loving, happy smile on the teachers' faces was a reward enough for them.

Stars! Hid Your Fires

and
Foul is Fair

Shakespeare Calling

The story ....riveting, the characters....larger than life, the stage .....grandiose. It is every actor's dream role and any writer-director's toughest challenge. The staging of Shakespeare's finest tragedy- Macbeth was all that and much more. The Bard of Avon came calling on 23rd November in the school auditorium. Staging a play of that gargantuan proportions was no mean feat, but, a team of teachers, able actors, narrators and dancers made it possible by rehearsing every little scene and every dance move for days till they achieved perfection. So, it was meticulously put together and seamlessly presented on Senior School Annual Day to a packed house. The programme began with the Student Council members enumerating the activities done during the course of the year followed by the presentation of the school Annual Report by the principal, Sr Alice. Then, began the saga of the Scottish general that epitomises valour, ambition, greed and guilt. As his story unfolded through both dance and drama, the characters- Macbeth, Lady Macbeth, Banquo, Macduff, the Witches and the whole ensemble, enthralled the audience casting a spell over them, keeping them on the edge of their seats and their eyes glued to the stage. Needless to say it was a stupendous hit and talk of the town for days to come. After the thunderous applause ended, it was time for our chief guest Wg. Cdr. Navrattan Kaur to honour deserving students for their accolades. In her address she applauded the efforts of the teachers and students in putting up a scintillating show and congratulated the school for its laudatory efforts in the field of holistic education for over a century. The morning ended on a high note leaving behind a trail of memories, to be cherished for a lifetime.

Shakespeare Calling

Children's Day

"We children are the heart and soul of our School,
Having a special Fete on Children's Day,
that's really cool."

14th November... Yes, that is the most awaited day of the entire year. Every year Children's Day is celebrated in our school with fun and enthusiasm. This year was no different. Dressed in their stylish outfits, children reached the school, full of excitement. The day started with a Special Assembly conducted by Sr. Alice and her team which made the children feel that no matter how big they grow, the child within them can never be lost. This year a special fete was organized in which all the teachers had put up various stalls in the school grounds. Be it lip-smacking delicious eatables ranging from bhelpuris to ice-creams, or keeping the children engrossed in games like SPIN THE WHEEL and TREASURE HUNT or be it creating a special Selfie Corner for the fashionistas, the teachers left no stone unturned. After gorging on sumptuous food and playing all the interesting games, the children were all set to hit the dance floor and jive on foot tapping numbers. They left no chance to enjoy themselves to the fullest as they knew it was 'THEIR DAY'.

Annual Day Celebration

19 December and 20 December witnessed students of Dina Block celebrating their Annual Day with fervor and joy, thus sending across a message that Christmas is much more than just a day for opening presents but as a day for opening hearts to holiness and godliness.

Father Lancy Paul graced the occasion as the Chief guest on December 19, 2019 and Rt. Rev. Bishop Ignatius Mascarenhas was the esteemed Guest of Honour on December 20, 2019. The tiny tots welcomed the guests with welcome dance followed by the Annual School Report and melodious Christmas carols. Bishop was visibly impressed by the impeccable performance showcased by the students of class LKG to class II.

Christmas being the theme, the stage was lit up with the lights, candles and gifts around the Christmas tree. Beautiful Rangoli displaying Christmas bells adorned the auditorium, announcing the arrival of the event. The students enthralled the audience with their acting, dancing and singing in the play staged by them. 'The Nativity Play' highlighted the spirit of Christmas, birth and sacrifice of Jesus Christ for the sake of humanity.

In the culmination of the celebrations, the show ended with Christmas songs as Santa Claus joined the celebration with a sack full of gifts. The event was indeed a spectacular display of talent and enthusiasm which left a mark in the minds of both the audience and the students that each one of us is blessed and we need to thank God for the same.

SPORTS DAY

A great zeal and gusto was seen on the grounds of our school as the students of Dina block gathered to celebrate Sports Day - an Annual feature of the School. The event was presided over by Colonel Gaurav Sehgal, a distinguished Indian Army Officer. The event, based on the theme 'Saving Water', was declared open with the releasing of balloons by Principal Sr. Alice and the Chief Guest.

The sports fest included a series of coordinated drills displayed by beautifully attired children who performed in synchronized manner with various props. Tiny tots of class LKG dressed in peach as 'Little fairies' performed on the drill named 'Celestial Charmers'. They were followed by UKG who came dressed in soothing blue attires carrying sparkly clouds as props for their drill 'Dazzling Drizzles'. Next came in brightly dressed as rainbows, the children of class I who performed on the drill 'Sparkling Spectrum'. The girls of class II in beautiful pink dress with dumbbells and dandiyas as props performed on the drill aptly named 'Dashing Dumbbells' and 'Dancing Dandiyas.'

The parents not only witnessed varied drills but were also witness to Athletics finals in 75m, 150m and 200 m races along with skating races. The event culminated with a motivating speech by the chief guest wherein he highlighted the importance of sports, healthy diet and assimilation of good values and the need to save of our precious natural resources.

Adieu scolaire

> Good byes are only for those who love with their eyes. For those who love with their heart and soul there is no such thing as separation.

Finally, the day was here when class XII would bid their final farewell to their school life. Bright faces of the 2019-20 batch with heavy hearts assembled in the School Auditorium for the Formal farewell. On this solemn occasion, our worthy Principal Sr. Alice administrated the oath ceremony. Sudents of Class XII pledged to spread the fragrance of their values and education gained in this prestigious institution.

The day commenced with a prayer service and a power point presentation that left the strong message of perseverance and resilience in its wake. The Proud parents of class XII students expressed their gratitude to the selfless service of the institution which has been endeavoring hard to shape the future of the society for years. They also shared their experiences as proud members of the Convent of Jesus and Mary community and their long association with the organization.

The Gen-next outpoured their gratitude to Sister Alice and the teachers for making the last 14 years of their life fruitful and memorable. The ceremony concluded with Sr. Alice gifting each student a sapling-a symbol of the virtue of service before self.

In the evening, the auditorium was bedecked to bring back the nostalgia of class XII students. Their juniors performed on both trendy and retro Hollywood, Bollywood and Korean beats. Memories were relived through the power point presentation of the school days that made the audience break into a pandemonium of laughter and sniffles of nostalgia at the same time.

Long weeks of preparation by the Class XI students finally evolved into a memorable show that marked the beginning of a new journey for the outgoing batch, who smiled with bittersweet tears rolling down their cheeks.

At the end, Sr Alice crowned Niyati Dhiman as Miss CJM, Navdeep Gill as Miss Charming and Ujjawal Chaudhary as Miss Gorgeous. The glorious evening culminated with sumptuous dinner spread out for everyone.

Farewell
7.02.2020

Foundress Day Celebration

Come February and each year the entire aura turns sublime, coloured in purple hues in remembrance of our beloved Saint Claudine Thevenet.

Keeping with the tradition, the Feast Day was celebrated with great enthusiasm on 1st February this year also. A beautiful play depicting the story of St. Claudine with a back drop of powerful imagery through power point and sound effects wonderfully portrayed the struggles of her life's journey. The school had a magical feel as everything was done up in shades of mauve and purple to showcase our love for our very own dear "Little Violet". Her messages of "Forgive as we forgive" and "How good God is" reverberated through the hallowed portals of the School. The celebration continued in Staff Room where a lavish feast was spread out for dear Sisters of the community and the entire staff.

Dr. Amit Chopra

Krittika Brick Co.

CEMENT BASED HIGH PERFORMANCE FLY ASH BRICKS

Fly Ash Brick (FAB) is a building material, specifically masonry units, containing class C fly ash and water. Toughened with an air entrainment agent, the bricks last for more than 100 freeze-thaw cycles. Owing to the high concentration of calcium oxide in class C fly ash, the brick is described as "self-cementing". The manufacturing method saves energy, reduces mercury pollution, and costs 20% less than traditional clay brick manufacturing.

About us

YOU WILL LOVE EVERY STYLE OF OUR MAKE OVER

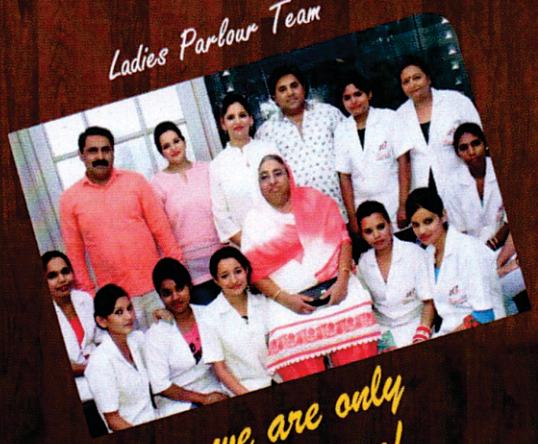

Late Sh. Pratap Singh Kakran
(Founder)

HBP was created by Late Sh. Partap Singh Kakran 6 decades ago in 1951. Their unfaltering belief in providing the highest standard of hairdressing, alongside exceptional customer service has led to a flourishing Hair and Beauty Group at the forefront of hair dressing. HBP proud to have separate beauty salon for both men & women in Ambala Cantt. and multitude of awards across all areas of our business including Best Beauty Parlour award from Danik Jagran.

"HBP has its own identity and directional style. You have to create something new and unique to be truly successful. We aim to stamp our mark in history, creating forward thinking hairstyles the HBP way".
